

## 16 SLICE GUIDE

Use our slice guide to portion your cake evenly before displaying under a cake dome, or check out our display tips at [Cakesmiths.com](https://www.cakesmiths.com)

For the best slice, use a clean, sharp knife, cleaning the blade between each cut, and cutting down and then horizontally outwards.

Our round cakes are best defrosted overnight, and under cover.

## 14 SLICE GUIDE

Use our slice guide to portion your cake evenly before displaying under a cake dome, or check out our display tips at [Cakesmiths.com](https://www.cakesmiths.com)

For the best slice, use a clean, sharp knife, cleaning the blade between each cut, and cutting down and then horizontally outwards.

Our round cakes are best defrosted overnight, and under cover.
